Manage Your Conference

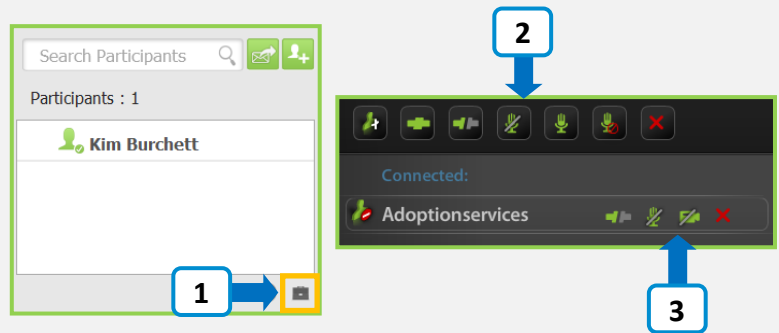

Add a Participant to Your Active Conference

- To add a participant to your conference, click on the participants icon, then click the **Add Participant** icon.
- Search for the participant's name in the **Search Field** and click **Invite**.
- The participant will hear ringing sounds from his/her computer and see a message pop up on the screen to **Answer** or **Decline**.

Manage Participants

- Open **Control Meeting** from the bottom of the contacts list. **Control Meeting** will open in your browser.
- Select the top icons for global control of participants.
- To control an individual participant, hover over the participant's name and scroll to the right to either mute, send them to privacy or remove them from the meeting.

Lock & Set Room Pin

Lock Room

To lock your room, click directly on the **Lock** icon. By selecting lock, participants will be denied access to your room.

To **Unlock**, click the lock icon again. It's important to unlock your room after each meeting or your room will remain locked.

Room Pin

To set a **Room Pin**, select **Room Links**. To add a pin for your room, type in three to ten characters in the **Set Room PIN** field and select **Save**. This pin will be required for participants to gain entry into your meeting room.
